INFO:

- We are constantly receiving requests for a follow-up to our popular 'Have Yourself A Swingin' Little Christmas' Christmas LP and CD.
- Now the time has come: here arrives the new edition on Bear Family Records® with more exquisite Jazz, Swing, Pop and early Rhythm & Blues recordings around the theme of Christmas, pressed on festive red vinyl.
- Nostalgic Christmas with fourteen Lindy Hop-Jitterbug-Boogie-Jive and Easy Listening rarities from 1950 - 1961, by artists like Bing Crosby (no, not *White Christmas* again!), Andy Williams, Nat 'King' Cole, Peggy Lee, Johnny Desmond and many more.
- It turns orchestral with Fred Waring and Leroy Anderson, while Bing Crosby celebrates Hawaiian Christmas with the Andrews Sisters.
- The back cover features rare photos and detailed info on each song from the producer.
- A free Christmas postcard is included with each album.

Previous Christmas releases on Bear Family Records® are turning into beloved classics of the genre, especially those compilations featuring popular examples and rarities from the jazz, swing and original rhythm 'n' blues genres. We are happy to present 'Have Yourself Another Swingin' Little Christmas', a new collection of entertaining songs around the Christmas theme. This album, which is also available in expanded form as a CD (BCD17631), gives you the opportunity to celebrate a relaxed, amusing and danceable Christmas with your loved ones, away from the hardly bearable, kitschy everyday soundtrack of the pre-Christmas season!
