INFORMATION

A great new addition to your collection - Johnny Horton / 'Gonna Shake This Shack Tonight' gathers together the Singing Fisherman's best early hillbilly bop and proto-rockabilly numbers. You won't find *Battle Of New Orleans*, *Honky Tonk Man* or the same old hits on this collection. Instead, you'll discover obscure yet wonderful numbers like *Tennessee Jive*, *The Train With A Rhumba Beat*, *First Train Headin' South*, and other gems from the vaults. Even if you have a Johnny Horton CD or two, this one offers a playlist not found on any other of his single CD collection. Essential for Horton fans! Just plain essential!
