INFO:

- Brand new recordings made at Sun Studio in Memphis, Tennessee.
- Art Adams rocks just as hard now as he did back in 1959.
- **Four new masters** from the Kentucky native who originally waxed the classic pairing of *Rock Crazy Baby* and *Indian Joe*.
- Savage rockabilly featuring Art's great current band that tears it up with a vengeance.
- The man himself still has everything it takes and then some.

For some original rockabillys, the bop has never stopped. It's a cinch rockabilly will never die as long as Art Adams is here to show us how it's done!
